Dear Mr Agrawal,

As you may already be aware, for some times we have been thinking about appointing a permanent representative to look after our interests in India. We are now glad to be able to introduce our new representative, who will be taking up his duties shortly, to you.

CERTIFICATE OF AUTHORISATION

This is to certify that we have appointed company Heinz Schulte (SCHULTE Industrieberatung), Edisonstr.1, D-68775, Ketsch, Germany and their associate (in India), AFRO PROJECTS & EXPORTS, 5/301, Pawan Baug, Chincholi Cross Road, Malad (West), Mumbai - 400 064, to assist us in our sourcing of cast, forged, machined parts and other metal components from India. They will be functioning as our International Purchasing / Quality Audit office in India.

They will be handling on our behalf all aspects of our out sourcing from India i.e. receiving enquiries, forwarding them to potential manufacturers, obtaining quotes, negotiations, facility / process audit, sample approval, QA for bulk supply, shipment monitoring, over all follow-up, and general co-ordination / communications.

All items whether samples or bulk supply, will only be shipped with the consent of our local agents. Such goods arriving at our work site in Europe or elsewhere will be subjected to final inspection and acceptance by receiving authorities. Acceptance of goods by local representatives does not absolve the manufacturer / suppliers of the quality / functional / performance responsibilities and obligations.

Mr. Heinz Schulte and Mr. B.V. Anvekar will be coordinating on our behalf. All concerned are requested to extend full co-operation to them.
